

STATE CHAMPION senior 4-H dairy judging team from Randall County includes, seated, Roger Gist, left, and Eddie Hinders. Standing are Jerry Crain and Mike Hinders. The team will now compete at the national judging show in Columbus, Ohio in October.

Canyon Dairy Judging Team Is Top In State

A senior dairy judging team from Randall County received the first place award at the State 4-H Club Roundup and judging contests held June 6-7 at Texas A & M University.

The team, which is composed of Eddie and Mike Hinders, Jerry Crain and Roger Gist, scored 1,417 of the possible 1,800 points possible.

Eddie was named as high individual with a score of 499 of the possible 600 points. Taking second high individual honors was Roger Gist with 494.

The team placed high in both jersey and holstein competition. In October, the team will

participate in the National Show for Jerseys, Guernseys, Ashires and Brown Swiss in Columbus, Ohio.

Coaches for the team are John Brazzil and Louis G. Hinders. Brazzil accompanied the team to the state contests.

Hinders is the father of two of the team members, Eddie and Mike. Mike will be a junior at Canyon High School this fall and Eddie will be a freshman at Rice

University. He graduated from Canyon High School this spring.

Gist is the son of Mr. and Mrs. R. B. Gist, Jr. of Canyon. He will be a junior at CHS this fall.

Crain's parents are Mr. and Mrs. Cristin Crain. He will be a CHS junior this fall and currently serves as president of Cleta 4-H Club, where all of the boys are members of 8-10 years standing.

Senator Reports Liberals Gaining

The political complexion of Texas is changing, State Senator Grady Hazlewood told Lions Club members here Wednesday at the club's regular luncheon.

Hazlewood said that through reapportionment the big cities in the state are getting more representatives in the legislature.

"Big city senators are extremely liberal," he declared.

Hazlewood said there are 13 liberal members of the Senate now. "They only need to pick up three more votes to have a majority."

Hazlewood said Lt. Gov. Preston Smith made it difficult

for him to get his legislation brought up.

He said he had a choice to make of being cooperative with the governor and speaker of the House or joining Smith in sabotage of the governor's program.

Hazlewood said he chose the path of cooperation rather than sabotage.

He cited the bill calling for a separate board of regents for West Texas State. He said he got no help from Smith in getting the bill brought up but as soon as it was vetoed Smith offered "all the help in the world" to override the veto.

"He (Smith) has been running for governor for three years," Hazlewood declared.

He indicated that Smith refused a joint session of the House and Senate when Senator John Tower was to have addressed the joint session.

"He (Tower) was elected by the people of Texas," said Hazlewood.

"He had to go over to the House and address them and then come to the Senate," Hazlewood went on. "How juvenile can you get."

Senator Hazlewood spoke (See SENATOR, Page 5)

Roundup Dates Are Announced

The annual Randall County Roundup will be held here July 21-22, according to Roland Black, manager of the Canyon Chamber of Commerce.

Plans for the annual two-day affair are being outlined, Black said, with co-sponsors, the Rotary, Lions, Kiwanis, Jaycees and Randall County Sheriffs Posse.

The old settlers reunion will be held this year in the Panhandle Plains Historical Museum, he said.

Dr. Dudley Moore is chairman of the Roundup.

Try Again For

Decision On CJHS

Remodel, Repair, Or New Building?

Canyon school board will try again to reach a decision on what to do about the Canyon Junior High School Building.

The board meets at 9 o'clock next Tuesday night in the board room at Canyon High School.

Three times the board has delayed action on the matter. First try for action on the junior high school building situation came when Board Member Bill Davis made a motion that the question be put to school district voters.

The second effort was tabled because Trustee Walter Gra-

ham was absent and the third effort failed to get off the ground due to the absence of Trustee Jerry LaGrone.

Three courses of action are open to the board. Number one would be to put before the voters a \$1,200,000 bond issue for construction of a new junior high school building.

Number two would be to face the voters with a \$750,000 bond issue for remodeling the existing junior high school building.

The third course would be to delay doing anything at the present time.

If the third course is followed, then some relatively minor repair probably will be made to the existing building.

"I don't think anyone wants to remodel the old building," said Wesley Cox, president of the board of trustees. "Whether this is the right time for an bond issue, because of the economy, is an open question."

Land Survey Will Begin

A crew from Dallas will be in Canyon sometime this week to prepare a land use survey, to be made in conjunction with a proposed planning grant for the city.

The men, a team working for Marvin Springer, urban planning consultant of Dallas, will study how land is presently being used here and what may be needed in the area of zoning classifications for the future.

The program is part of a proposed planning grant for Canyon submitted to the Department of Housing and Urban Development for approval of Federal funds.

Park Adds Equipment

Among recent improvements at Conner Park is a loan service on game equipment, according to Wayne Phemister, park and recreation superintendent.

The City of Canyon has recently purchased footballs, baseball and bats, and volleyball and net for public use.

Game equipment may be borrowed for use in the park at no charge. The equipment will be available on request at the offices of the City Pool, according to Phemister.

Dowlen Is Given Top 'TEXAS' Role

Dowlen, the son of Mr. and Mrs. Glenn Dowlen of Canyon, played more than 75 parts in

opera company productions before becoming head of the voice department at Oklahoma State University at Stillwater, He has been at OSU for two years.

Dowlen began his formal training with Chase Baramco at the University of Texas.

The baritone has appeared on several National Broadcasting Company television productions.

A complete "TEXAS" cast list will be published at a later date.

Lions Carnival Here Monday

The annual Lions Club carnival will begin here Monday and will run through the following Saturday.

The carnival will be located in front of Rex Reeves Elementary School. Carnival hours will be 7 p.m. to midnight.

Although no general admission will be charged, rides will range in price from 25 to 35 cents, said John T. Boone, carnival chairman.

All the money from eight Lions-sponsored booths will go to the local organization for various club projects including sight conservation, Boone said.

The local group will also receive 20 per cent of the proceeds from the Sonny Stafford Show, which will feature five rides for adults, three rides for children, plus other amuse-

ments.

Featured through the Stafford show will be a ferris wheel, sky fighter, scrambler, tilt-a-whirl, flying saucer, merry-go-round and other rides for children.

Amusements sponsored by the Lions Club will be a bear and keg pitch, baseball cats, dunking board, fish pond, dart throw and bingo.

Snow cones will be sold by the Girl Scouts; Boy Scouts will sell cotton candy; and food and soft drinks will be provided by the

Dale Killingsworth is chairman for the annual week-long campaign.

Wheat Is Harvested

Irrigated wheat being harvested in Randall County is yielding about 15 bushels per acre, according to Arnold Prichard, Consumers Fuel Association and Elevator manager.

Prichard said dryland wheat was averaging from three to six per acre. Later grain harvested from irrigated land might run as much as 35 bushels per acre, he said.

Prichard said the combination of dryland and irrigated wheat brought to Consumers had totaled about two and one-half million pounds thus far in the harvest.

Through the Boswell Fund within the Opportunity Plan, Morris said, eight students have been able to further their educations.

Included are two doctors, two nurses, an artist and others yet

vid Levens, bank president; and Dean House, vice president. Approximately 100 people attended the ground breaking. Reid and Gary Strickland, doing business as the Reid Strickland Construction Company of Amarillo, were successful bidders. There were seven bidders. The new bank building will be located at the site formerly occupied by Stevenson Pontiac-Buick Company. Earth and concrete movers were on the spot Monday as construction on the building got under way. Architects on the job are Bob Hucker and Earl Parge of Amarillo. They also are architects for West Texas State University. Levens said about 135 calendar days will be required for construction. Bank officials hope to be in the new building by Nov. 1. Parking facilities will be on the south and east sides of the building. The parking lot will accommodate about 40 automobiles. A rear entrance from the parking lot will open into the bank's lobby. The lobby will be covered with combination of carpet and te-

razzo tile. Offices will be finished semi-private and will be furnished with conservative bank furniture. There will be five teller windows, a drive in window and a night depository. House said there will be a good supply of safety deposit boxes. The vault will be visible from the lobby and will be protected by all standard procedures, plus an alarm system. The walls of the lobby will be brick, complemented by stone. Officers of West Texas State Bank of Canyon include Hazlewood, Levens, House and Alden C. Mann, cashier. Directors include Hazlewood, Levens, House, Clarence Beckman, J. Manly Bryan, Clay Cooper, H. R. Fulton, Jr., Ed Harrell, Virgil Henson, Milton Morris and J. Murphy White. Fall In Park Injures Youth

A 14-year-old boy from Hart was transferred to a Muleshoe hospital Tuesday after he fell, tumbled and rolled 140 feet in Palo Duro Canyon State Park Sunday morning. Kerry Wheeler, son of Mr. and Mrs. Thomas B. Wheeler, was climbing at Capitol Peak in Sunday Canyon when he fell, said Park Superintendent Jerry Mulligan. The youth was rushed to Nebbett Memorial Hospital here where he was treated for a skull fracture and multiple bruises. Tourists taking pictures in the area notified park rangers of the incident, Mulligan said. Also injured in the park Sunday was Mrs. Donald Daily of Lubbock. Mrs. Daily received a broken wrist after she was struck by a motorcycle driven by a 13-year-old girl. She was camping in the Cottonwood Grove picnic area at the time of the accident.

yon. Theme for the 1967 day camp will be "Hemisfair '67" and each division of the camp will study and work on crafts and customs of a different country, according to Mrs. Nester. Used light bulbs in all sizes are being sought for a special project in connection with the day camp. Persons having burned out light bulbs may contact Mrs. Elton Cox or Mrs. R. D. Olson. The bulbs are needed by Saturday.

Rites Pend For Harmon

Earl Jennings Harmon, 65, of Umberger died Wednesday at Nebbett Memorial Hospital in Canyon. Born February 4, 1902 in Rogers, Arkansas, Mr. Harmon had been a resident of Umberger for three years, after moving from Amarillo. He married the former Alice Elizabeth Jordan in Canyon, Okla., December 31, 1963. Mr. Harmon was a retired fireman, and had been associated with the Fire Department in Los Angeles, Calif., for a period of twenty-five years. Funeral services are pending with LaGrone Funeral Home in Canyon. Survivors include his wife of Umberger; a brother, Ovid Harmon of Garden City, Kansas; and two sisters, Mrs. Martha Sherman of Garden City, Kansas and Mrs. Alta Johnson of Amarillo.

briefly about an LSD bill which he sponsored and passed. LSD is actually lysergic acid, a hallucinatory drug. "You ought to go down to the University of Texas and see a few of those long hairs down there," Hazlewood declared. He said there is a large group of UT students using LSD and other drugs. "And they want to vote at 18," he said. Senator Hazlewood said this area can be thankful that it does not have the pollution problems encountered in many places elsewhere in the state. He credited Panhandle winds with having a cleaning effect upon the atmosphere. He added that within the next few years half to two-thirds of the nation's beef will be produced right here in the Panhandle. Hazlewood complimented the Negro woman senator from Houston, Barbara Jordan. "She was very capable," he said. "I thought she did remarkably well."

Canyon Man In Critical Condition

A 29-year-old Canyon man remains in critical condition at Northwest Texas Hospital in Amarillo following a car-motorcycle collision two weeks ago. Elmer Dale Bible, who sustained head injuries, two broken arms and leg and facial cuts, was thrown through the windshield of his motorcycle and across the hood of a car driven by Mrs. Helen B. Turman, 44, of 6707 Calumet Road in Amarillo. The accident occurred May 31 at Calumet Road and Bell Ave. in Amarillo.

pay off in 15 years while 19 years would be required on an issue to finance a new building. Either remodeling or building a new building would give junior high school 1,000 pupil stations, 250 to 300 more than now available. Either course would require about 16 months to complete. School architects are Clayton Shiver and Russell Meger.

Barbecue Meal Plan Adopted

A barbecue meal will be served prior to each performance of "TEXAS" this summer in Palo Duro Canyon State Park. About 100 members of the Panhandle Heritage Foundation, sponsors of the musical, executives and their families met at the show's site Tuesday evening to test the proposed plan. George Ritter will prepare a barbecue meal and individual loaves of homemade bread each evening. Serving time and costs have not been determined. In addition to the barbecue meal, a concession area will be open.

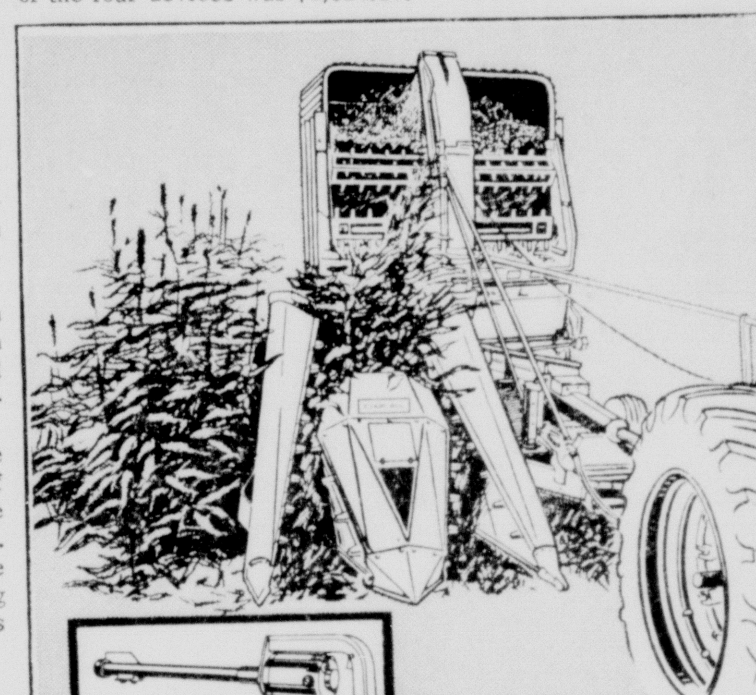

Plans...

(Continued from Page 1)
the movement of juries and prisoners to and from the courtroom. County Judge Lloyd King said possibly included in the new plans should be a courtroom for county use. At present, county and district court cases are tried in the same quarters. Bob Davis, representative for Columbian Securities, advised the commission to advertise that time warrants would be issued to pay the architectural firm as no bond issue on the building project will be necessary. If the commission decides to pay the six per cent of the building's cost to the architects in cash, they may do so, Smith said. John Dorsey, county surveyor, said he would prepare an outside survey of the present courthouse and annex. The survey will include information on trees, parking facilities, curb and gutter and utilities and would cost about \$200. Offices of the county clerk and county tax assessor-collector will be tentatively located on the first floor of the new annex. Plans call for offices for the district attorney, district clerk, district judge and a district courtroom to be housed on the second floor. A basement would be used for storage and maintenance area. In other action, commissioners decided to sit June 26 from 2 until 5 p.m. as an Equalization Board. There are about 100 cases in which valuations have been raised over last year, said Bill Money, county tax assessor-collector. Leroy Miller, courthouse custodian, made a high bid of \$200 for a vacated precinct one barn in the Money Addition. Miller said he would pay the county \$200 for the building which would be torn down to its foundation.

Publications Feature Show
The National Association of Travel Organizations has listed "TEXAS" as one of the top 20 tourist attractions in the United States for the month of July. Other attractions on the top 20 list include the Cheyenne Frontier Days and Miss Universe pageant. Two tourist magazines have also mentioned "TEXAS" in their June publications. An article written by Margaret Harper, former president of the "TEXAS"-sponsoring Panhandle Heritage Foundation and now publicity director, appears in "This is West Texas." The article by Mrs. Harper, entitled "Palo Duro: Texas' 'Grand Canyon' With Outdoor Theatre", traces the history of the canyons and also the musical production. An article in "Texas Parade" features three pages of pictures and a story concerning the show.

A FROGMAN-LIKE image is projected by Canyon Fire Capt. Joe Rice as he dons a new air pack recently purchased for the department by the city commission. The unit -- one of four purchased -- holds a 30-minute supply of compressed air. Cost of the four devices was \$1,024.24.

MRS. JOHN PATRICK CALLAHAN

Miss Nitengale Weds Callahan

Miss Mary Evelyn Nitengale became the bride of John Patrick Callahan in formal ceremonies Saturday evening at the First Methodist Church of Canyon.

The bride's uncle, Rev. Leslie L. McCue of Denver, Colorado, officiated at the exchange of double ring vows.

The bride is the daughter of Mr. and Mrs. M. H. Nitengale of Canyon and parents of the bridegroom are Mr. and Mrs. Fred P. Callahan of Richland, Missouri.

Given in marriage by her father, the bride wore a traditional white satin wedding gown featuring a fitted bodice with scooped neckline edged in floral lace. The gown had formal length sleeves which tapered to bridal points atop the hand. The hemline of the formal gown was edged in floral lace and the formal length chapel train was accented with a repeat of the lace.

Her shoulder length veil of bridal illusion was held by a crown of pearls and sequins and she carried a bridal bouquet of Frenched white carnations surrounding a cluster of cymbidium orchids. Her only jewelry was a traditional pearl pendant which had formerly belonged to her grandmother.

Joyce Nitengale served as her sister's maid of honor and Mary Ann Giromini was the bridesmaid. They were dressed identically in yellow-gold sheath ensembles with matching headbands holding a circlet of net. Each carried a crescent of green carnations.

Candlelighters were Kathryn Sue Nitengale and Julie Whittington. They were dressed in mint green A-line pleated dresses featuring green net headpieces.

Sidney Barrett of Lubbock was best man. Groomsman was Larry Fennell of Lubbock. Ushers were Eddie Brown and Don Schrum, both of Lubbock.

Grace Williams, pianist, and Marilyn Wetzel, soloist, presented appropriate nuptial selections including "Whither Thou Goest" and "Wedding Prayer".

The altar area of the church was decorated with arrangements of white gladioli accented with yellow and green carnations. Flanking the altar were seven bract candelabra and baskets of white carnations.

A reception honoring the couple was held in Fellowship Hall of the church with Mrs. Sharon Barrett in charge of the bride's book. Members of the houseparty were Treva Dunn of Hereford, Betty Hugg of Amarillo and Ann Fisher of Canyon.

For a wedding trip to points of interest in Missouri, the bride travelled in a three-piece green silk suit with matching accessories. Her corsage featured orchids lifted from the bridal bouquet and her only jewelry was a necklace, which was a gift from the bridegroom.

The bride is a graduate of Canyon High School. She attended West Texas State University two years and recently received her nursing degree from Methodist Hospital School of Nursing in Lubbock, where she will be employed.

The bridegroom graduated from Richland High School in Missouri. He spent four years with the United States Air Force and is presently assistant manager for the TG&Y Store in Lubbock.

Out of town guests for the occasion were the bride's grandmother, Mrs. Anna Nachtigal of Halstead, Kansas, and an aunt and uncle of the bride, Mr. and Mrs. John Nachtigal of Halstead, Kansas. Mr. and Mrs. Robert Calahan of Richland, Missouri.

The bride is the daughter of Mr. and Mrs. Charles E. Gerald of Canyon and parents of the bridegroom are Mrs. Borden Price and the late Mr. Price of Canyon.

Rev. Charles P. Meredith, pastor of the First Christian Church, officiated at the exchange of vows. Mrs. Betty Patchin of Canyon, soloist, sang the song of Ruth "Entreat Me Not To Leave Thee" by Charles Gounod. Accompanist at the organ was Mrs. Curtis Crowell of Amarillo who played the Trumpet Tune "Martial Air" by Purcell as the processional and Psalm 18 by Marcello as the recessional.

A white aisle cloth was used to direct the wedding party to the altar area which was laid

with pink and white satin. Large urns of pink roses and white gladioli accented the setting amidst candelabra and huckleberry garlands of greenery.

The bride's sister, Cynthia Ann Gerald, served as maid of honor. Bridesmaids were Sue Patricia Schlegel of Amarillo, Sylvia Rebecca Price, sister of the bridegroom, and Cathleen Agnes Gerald, sister of the bride.

Candlelighters were Patricia Ann Price, sister of the bridegroom, and Charles Christensen Gerald, brother of the bride. Jo Beth Price, sister of the bridegroom, served as flower girl and the ringbearer was Brian Dan Gerald, brother of the bride.

Members of the bridal party wore identical gowns of rosebud pink floor length faile designed with high-rise bodices embossed with daisies. The straight skirts of chiffon featured floor

length trains and headpieces were of matching self fabric.

Wix Price, Jr. of Borger served as his nephew's best man. Groomsman were Ira Glenn Hopkins of O'Donnell, Charles Bruce McNab of Texarkana and E. Sansom Williams of Pampa.

Serving as ushers were Larry Holman, Harry Lisle, Bob Beger and Bill Phillips.

Escorted and given in marriage by her father, the bride wore a floor length fitted sheath of Venice lace with a fitted bodice and long lace sleeves forming petal points over the hands. The shoulder cape sanctuary train was attached at the shoulder with bows of self fabric and extended to a formal chapel length in the back. Her tiered veil of imported French illusion was held by a lace crown of seed pearls and aurora crystals.

A reception honoring the couple was held in the reception rooms of the First National Bank where the bride's table was draped in a floor length cloth of pink silk organza over bridal satin. The tiered centerpiece was of pink sensation roses, pompoms and asters. Silver candelabra holding formal dinner tapers complemented the setting.

The three-tiered wedding cake was decorated in the bride's chosen colors of pink and white and was served by Mrs. Tom Gerald, Sr. as Mrs. Tom Gerald Jr. ladeled the punch from the silver service.

Other members of the reception houseparty were the bride's sorority sisters from Delta Zeta including Janie Burk, Renee Owen, Janis Miller and Elaine Louder of Canyon, Doan Lusk of Amarillo and Sharla Taylor of Southland.

For a wedding trip, the bride changed to a three-piece suit of rosebud pink polyester with white accessories. The couple will live at Canyon this summer and in August will move to Princeton, New Jersey where the bridegroom will enter the Princeton Seminary.

Both the bride and bridegroom are graduates of Canyon High School. The bride graduated in May from West Texas State University where she received the BA degree. She was a member of Delta Zeta sorority and Kappa Pi honorary art fraternity.

News Briefs

LIONS CLUB LADIES night will be held at 7 o'clock the evening of June 29 at Wyatt's Cafeteria in Amarillo.

In charge of the ladies night committee is J. B. Douglas.

AN ICE CREAM SUPPER will be served Monday evening on the lawn of the First Presbyterian Church of Canyon.

The event is being sponsored

ed by the junior-senior high groups in an effort to benefit the church summer camp fund.

TWO RETIRED TEACHERS from Belton, Tex., have moved to Canyon.

Mr. and Mrs. Guy Haynes, who own an irrigation farm four miles west of the city, have spent the past two summers in Canyon.

They will live at 2305 W. 3rd Ave.

HAPPY JAYCEE-ETTES will sponsor a Father's Day bake sale Saturday in Happy on the sidewalks near Corner Drug. In the event of inclement weather, the sale will be moved to Bates Supermarket, according to Della Venhaus, chairman.

VBS Program Set Friday

Commencement program for Vacation Bible School students at the First Christian Church of Canyon will be held Friday at 8 p.m.

The program will begin with an open house for students, parents and friends featuring displays of work done during the week of VBS. Refreshments of ice cream and cake will be served in fellowship hall of the church.

The event will be concluded with a showing of motion pictures taken during Vacation Bible School at the church. An enrollment of 45 students participated in the school which was under the direction of Mrs. W. A. Patton, school superintendent.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

Curb Painting

PAINTING CURB NUMBERS are Canyon Jaycee-Ette president, Mrs. Weyman Brown, left, and Mrs. Jackie Whitley, right. The Jaycee-Ettes are painting house numbers on curbs throughout the city as a fund raising effort to support

other community projects. The numbers are painted in luminous green over a white background at \$1.75 or two locations for \$3. Residents may contact Mrs. Charles Marshall, OLS-3383, to place orders.

Former Resident Dies In Big Spring

Thomas B. Atkins, 65, died June 7 in a hospital at Big Spring.

Formerly of Canyon, Mr. Atkins spent his high school and college years here during 1913-1924. He was the son of Mrs. G. B. Combs of Canyon, who presently resides in Big Spring.

Born in Denton County September 29, 1901, Mr. Atkins moved with his family to Deaf Smith County and later to Randall County. He married the former Miss Era Stallings while both were teachers at Chillicothe in 1924.

The Atkins lived in Amarillo for a number of years where he was associated with Axtell Company before buying into the Big Spring Hardware Company in 1941. Later he sold his interest in the store and became interested in the Saunders

Company, a hardware wholesale house. He was also interested in the Big Spring Finance Company and had real estate and farm interests at Big Spring.

Mr. Atkins was a member of the Masonic Lodge, a past president of the Big Spring Kiwanis Club, and a member of Gideon's International, an organization of Christian businessmen.

He was an ordained deacon in the First Baptist Church of Big Spring and had served in numerous offices of the church.

Survivors include his wife, Mrs. Era Atkins; one daughter, Mrs. Al Scott of Big Spring; two sons, Thomas D. of Amarillo and Athol J. of Big Spring; four grandchildren; his mother, Mrs. G. B. Combs of Big Spring; two brothers and a sister.

Tom Blacks Home From Europe Tour

The Tom Blacks are back home after a 17-day trip to the Rotary International Convention in Nice, France and a tour of Western Europe.

Black is president-elect of Canyon Rotary Club.

Black said he was impressed with the speeches of Rotary International President Richard L. Evans and President-elect Luther L. Hodges but he was fascinated with Monte Carlo. "We visited Monaco but we didn't lose any money," Black declared.

The Blacks flew from New York May 17 to Barcelona in Spain. They arrived in Barcelona in the late afternoon. The next day they went on a tour of the city and an excursion to Montserrat.

"In Barcelona they are digging tunnels for streets," said Black. "There will be three tiers of streets."

Black said price controls are rigid in Spain.

They left Barcelona by train about 8:15 o'clock the morning of May 20 and arrived in Nice about 9 o'clock that evening.

Nice is located on the Riviera. "The Mediterranean has the bluest water I've ever seen," Black commented.

The Blacks took a number of tours in France, accompanied by an English-speaking guide. "The people are grateful for what the Americans did for them in World War II," said Black. "They don't talk about President Charles DeGaulle."

While attending the Rotary convention at Nice, the Blacks stayed in Cannes. There is a train about every hour for the short trip to Nice.

The Blacks took a jet to Paris

May 26, arriving there in the evening. They toured Paris the following day and saw, among other things, the Place Vendome, the Opera, Madeleine Church and went up the Avenue des Champs Elysees to the Arc de Triomphe where a constant flame burns at the Tomb of the Unknown Soldier. After that they went to the Palais de Chailot, the Eiffel Tower and the Dome des Invalides with Napoleon's tomb.

That afternoon they saw historical Paris which included the Sainte Chapelle, the Latin Quarter, Palais de Luxembourg, Pantheon, Cathedral of Notre Dame and the Basilica of the Sacred Heart in Montmartre.

The following day they visited Versailles. The Blacks were most impressed with Versailles and the Hall of Mirrors. Black said Versailles has been restored.

From Paris, the Blacks went to Holland where they saw the Royal Palace, Nieuw Church and the Rijks Museum containing paintings by Vermeer and the "Night Watch," Rembrandt's masterpiece.

"We saw the old city of Amsterdam where the people dress as they did 400 years ago," Black reported. They visited the home of Ann Frank, martyr of World War II.

"The government owns all the land in Holland," Black related. "If you want to farm or even to build a home, you have to lease the necessary land from the government."

The Blacks flew to London June 1 where they saw the Tower of London, complete with the chopping block where people were executed in the middle ages.

The following day the Blacks boarded a jet for the US arriving back in Amarillo that evening.

"I enjoyed the whole trip," declared Mrs. Black.

Some of the things they will long remember... the tapestries at Versailles. "It took two men three years to make one tapestry a yard square," said Black. "and tapestries on the walls are 30 to 40 feet in length. The colors are beautiful and the tapestries look like they were completed only yesterday. They can be washed and instead of harming them the washing makes them even more beautiful."

...Spain. "People don't like Franco but they like what he's done. The country was broke when he took over. Prices are about like they are here in the US," said Black.

...Rembrandt's paintings. "I can't tell you how beautiful they are," Black declared.

Try Again For

Decision On CJHS

Remodel, Repair, Or New Building?

Canyon school board will try again to reach a decision on what to do about the Canyon Junior High School Building. The board meets at 9 o'clock next Tuesday night in the board room at Canyon High School. Three times the board has delayed action on the matter. First try for action on the junior high school building situation came when Board Member Bill Davis made a motion that the question be put to school district voters.

The second effort was tabled because Trustee Walter Gra-

Moreland New PM For Canyon

Lee Roy Moreland has been named permanent postmaster for Canyon. The appointment, approved recently by the Senate and signed by President Johnson, will move Moreland to the post for-

merly occupied by Marion Higdon who retired in December, 1966. After leaving the US Navy, Moreland came to Canyon as a sub-clerk for the post office Jan. 1, 1947. He was named regular clerk in 1949 and assistant postmaster in August of 1958. When Higdon retired, Moreland was named acting postmaster. The Morelands have two sons, Chris 11, and Andy 17.

LEE ROY MORELAND

ham was absent and the third effort failed to get off the ground due to the absence of Trustee Jerry LaGrone. Three courses of action are open to the board. Number one would be to put before the voters a \$1,200,000 bond issue for construction of a new junior high school building. Number two would be to face the voters with a \$750,000 bond issue for remodeling the existing junior high school building. The third course would be to delay doing anything at the present time.

If the third course is followed, then some relatively minor repair probably will be made to the existing building. "I don't think anyone wants to remodel the old building," said Wesley Cox, president of the board of trustees. "Whether this is the right time for a bond issue, because of the economy, is an open question."

Although most members of a recent citizen's committee apparently favored a new building, some members of the board are dubious as to whether a bond issue would carry at the present time. Cox noted that school tax on irrigated land in many cases doubled last year and that there was a 50 percent school tax increase on dryland.

School Superintendent Huelyn Laycock said a 12 cent tax increase per \$100 valuation would be necessary to finance remodeling and a 17 cent increase would be required to finance a new building.

Bonds for remodeling would (See REMODEL, Page 5)

Park Adds Equipment

Among recent improvements at Conner Park is a loan service on game equipment, according to Wayne Phemister, park and recreation superintendent. The City of Canyon has recently purchased footballs, baseball and bats, and a volleyball and net for public use. Game equipment may be borrowed for use in the park at no charge. The equipment will be available on request at the offices of the City Pool, according to Phemister.

Dowlen Is Given Top 'TEXAS' Role

Glenn Dowlen Jr., former member of the New York City Center Opera Company, will replace Charles Zimmermann in the role of Uncle Henry in the "TEXAS" production this summer. Zimmermann, who had originally replaced Andrew White in the role, was unable to perform as Uncle Henry due to illness. Dowlen, the son of Mr. and Mrs. Glenn Dowlen of Canyon, played more than 75 parts in

opera company productions before becoming head of the voice department at Oklahoma State University at Stillwater. He has been at OSU for two years. The Canyon High School graduate received his bachelor of music degree from the University of Texas and a masters degree from Louisiana State University.

Dowlen began his formal training with Chase Barameo at the University of Texas. The baritone has appeared on several National Broadcasting Company television productions. A complete "TEXAS" cast list will be published at a later date.

Lions Carnival Here Monday

The annual Lions Club carnival will begin here Monday and will run through the following Saturday.

The carnival will be located in front of Rex Reeves Elementary School. Carnival hours will be 7 p.m. to midnight.

Although no general admission will be charged, rides will range in price from 25 to 35 cents, said John T. Boone, carnival chairman.

All the money from eight Lions-sponsored booths will go to the local organization for various club projects including sight conservation, Boone said.

The local group will also receive 20 per cent of the proceeds from the Sonny Stafford Show, which will feature five rides for adults, three rides for children, plus other amuse-

ments. Featured through the Stafford show will be a ferris wheel, sky fighter, scrambler, tilt-a-whirl, flying saucer, merry-go-round and other rides for children.

Representatives from Canyon's civic clubs will meet Monday at 7:30 p.m. to schedule activities for the annual Clean Up, Paint Up and Fix Up Week.

Those meeting in the Randall County Commissioners Courtroom will include representatives from the Lions, Rotary, Kiwanis, Jaycees, Jaycee-Ettes, University Study Club and the City of Canyon.

Wheat Is Harvested

Irrigated wheat being harvested in Randall County is yielding about 15 bushels per acre, according to Arnold Prichard, Consumers Fuel Association and Elevator manager. Prichard said dryland wheat was averaging from three to six per acre. Later grain harvested from irrigated land might run as much as 35 bushels per acre, he said.

Prichard said the combination of dryland and irrigated wheat brought to Consumers had totaled about two and one-half million pounds thus far in the harvest.

Senator Reports Liberals Gaining

The political complexion of Texas is changing, State Senator Grady Hazlewood told Lions Club members here Wednesday at the club's regular luncheon. Hazlewood said that through reapportionment the big cities in the state are getting more representatives in the legislature. "Big city senators are extremely liberal," he declared. Hazlewood said there are 13 liberal members of the Senate now. "They only need to pick up three more votes to have a majority." Hazlewood said Lt. Gov. Preston Smith made it difficult

for him to get his legislation brought up.

He said he had a choice to make of being cooperative with the governor and speaker of the House or joining Smith in sabotage of the governor's program. Hazlewood said he chose the path of cooperation rather than sabotage.

He cited the bill calling for a separate board of regents for West Texas State. He said he got no help from Smith in getting the bill brought up but as soon as it was vetoed Smith offered "all the help in the world" to override the veto. "He (Smith) has been running for governor for three years," Hazlewood declared.

He indicated that Smith refused a joint session of the House and Senate when Senator John Tower was to have addressed the joint session. "He (Tower) was elected by the people of Texas," said Hazlewood. "He had to go over to the House and address them and then come to the Senate," Hazlewood went on. "How juvenile can you get."

Senator Hazlewood spoke (See SENATOR Page 5)

Roundup Dates Are Announced

The annual Randall County Roundup will be held here July 21-22, according to Roland Black, manager of the Canyon Chamber of Commerce. Plans for the annual two-day affair are being outlined, Black said, with co-sponsors, the Rotary, Lions, Kiwanis, Jaycees and Randall County Sheriffs Posse.

The old settlers reunion will be held this year in the Panhandle Plains Historical Museum, he said.

Dr. Dudley Moore is chairman of the Roundup.

Day Camp For Scouts

Annual day camp for Brownies, Girl Scouts and Cadets will begin Monday, according to Mrs. Charles Nester, scout executive.

Approximately 140 scouts have pre-registered for the camp which will be held from 8:30 a.m. until 3 p.m. each day through June 23.

The camp site will be at the Rod and Gun Club, east of Canyon. (See CAMP, Page 5)

Ground Broken For WTS Bank

Officials of West Texas State Bank of Canyon Monday broke ground for a new \$220,000 building to be constructed at Fourth Avenue and 17th Street.

The building will front on Fourth Avenue with a rear entrance from the bank parking lot into the bank lobby. Construction will be of brick.

First shovel of dirt was turned

ed by Senator Grady Hazlewood, chairman of the bank's board. Hazlewood was flanked by Da-

Land Survey Will Begin

A crew from Dallas will be in Canyon sometime this week to prepare a land use survey, to be made in conjunction with a proposed planning grant for the city. The men, a team working for Marvin Springer, urban planning consultant of Dallas, will study how land is presently being used here and what may be needed in the area of zoning classifications for the future.

The program is part of a proposed planning grant for Canyon submitted to the Department of Housing and Urban Development for approval of Federal funds.

GRADY HAZLEWOOD is shown here turning the first spadeful of dirt for construction of a new West Texas State Bank of Canyon building to be constructed at Fourth Avenue and Seventeenth Street. At left is Dean House, bank vice president; and at right is David Levens, bank president. Hazlewood is chairman of the board.

Father's Day Sunday

FATHER'S DAY SCENES such as this will be depicted in homes throughout the nation when dad is honored Sunday. Pop, Jackie Clifton, is shown receiving a special gift from sons Jay, left, who is 21 months old, and four-year-old Mark. Mrs. Clifton looks on.

THREE BANK EMPLOYEES at Canyon's First National recently were awarded \$25 for operational improvement suggestions. They are from left, Edith Nicholas, Linda Bourn and Linda Dunaway.

Canyon Doctor Honored

A doctor, nurse and teacher met in Amarillo last week to honor Dr. Leta N. Boswell, Canyon physician, who helped finance their educations through the Opportunity Plan.

The trio, Dr. Don Hilliard, Mary Nitengale and Jimmy Pond, were all able to receive a formal education through the Edwin McKinney Boswell Scholarship Fund.

The fund, established in 1963, is in memory of Dr. Boswell's son.

"It doesn't matter what we do in the office," said Milton "Buff" Morris, founder of the Opportunity Plan at West Texas State University, "someone has to put in the money."

Through the Boswell Fund within the Opportunity Plan, Morris said, eight students have been able to further their educations.

Included are two doctors, two nurses, an artist and others yet to receive degrees.

Miss Nitengale, who plans to marry next month, graduated from the Methodist Hospital School of Nursing in Lubbock.

Pond, who attended WTSU, is now a teacher in Brownfield, where he has been in the school system three years.

Dr. Hilliard, also a former WTSU student, graduated from Brook Harbor Medical School in San Antonio.

He will spend his year as an intern at San Antonio's University of Texas Southwestern Medical School.

"I've never had a payment late on any of these students," Morris declared.

Explaining the workings of the Opportunity Plan, Morris said he had been to 92 high schools throughout the State since last fall.

"I'm convinced more than ever how much could be done with counsellors and money," he said.

The trio of students said they definitely had been helped in more ways than just the financial aid of the Opportunity Plan. One of the more important things, they said, was to be able to account for their expenses--to the penny.

They also admitted being a little afraid of Morris when he first discussed what was expected of them in return for the funds.

"Who else signed your contracts when you needed Oppor-

Other officers elected were Dean House, president-elect; and Mary Grabber, secretary-treasurer.

Members who will continue to serve the group are Dr. J. Manly Bryan, Dr. Bill Cooper, Mrs. Ray Batenhorst, Virginia Rosister, Clark Jarnagin.

New members of the group include Tommy LaGrone, Mrs. Charles Nester, Dr. Marion Guidry, Bill Sternberg, Mrs. D. C. Gamble, Lee Roy Moreland, Mrs. Ocie Chism, Mrs. Gene Grabber, Ray Grimes, Mrs. Alma Perkins, Oscar Hinger, Huelyn Laycock, H. C. Alexander, Jimmy Plain, Elton Cox and Dr. R. P. Jarrett.

Guy Hamblen, state director for Area I, spoke to the group seeking area portfolio chairmen. Hamblen is from Canyon.

Other area officers addressing the group of delegates from Jaycee clubs in Amarillo, Muleshoe, Pampa, Hereford, Happy, Plainview, Post, Vega, and Lubbock were Don Litchfield, Frank Blanton, and Ken Foreman.

Appointed to serve as regional chairman of records and recognition was Carl Miller of Canyon. Miller and Hamblen will visit with the Vega Jaycee club on Tuesday to discuss the R & R forms for this year.

It was announced the Area I summer convention for Jaycees and Jaycee-Ettes will be held July 14-16. Bids for the winter convention of 1968 were made by delegations from Lubbock and Amarillo. The winter convention site will be selected at the upcoming summer meeting.

Plans were discussed for a regional "travelling pot" for upcoming regional work forums. Each club will put in five dollars and the winning club will donate the proceeds to Girlstown following each of the upcoming regional forums. Hereford will host a forum in August.

The work forum was opened with a call to order by Guy Hamblen, invocation by Don Fattout, creed by Carl Miller and welcome by Delbert Turk, president of the Canyon Jaycees.

Mary Ann Boehning gave the invocation and provided background music during the banquet.

vid Levens, bank president; and Dean House, vice president. Approximately 100 people attended the ground breaking. Reid and Gary Strickland, doing business as the Reid Strickland Construction Company of Amarillo, were successful bidders. There were seven bidders. The new bank building will be located at the site formerly occupied by Stevenson Pontiac-Buick Company. Earth and concrete movers were on the spot Monday as construction on the building got under way. Architects on the job are Bob Hucker and Earl Parge of Amarillo. They also are architects for West Texas State University. Levens said about 135 calendar days will be required for construction. Bank officials hope to be in the new building by Nov. 1. Parking facilities will be on the south and east sides of the building. The parking lot will accommodate about 40 automobiles. A rear entrance from the parking lot will open into the bank's lobby. The lobby will be covered with combination of carpet and te-

razzo tile. Offices will be finished semi-private and will be furnished with conservative bank furniture. There will be five teller windows, a drive in window and a night depository. House said there will be a good supply of safety deposit boxes. The vault will be visible from the lobby and will be protected by all standard procedures, plus an alarm system. The walls of the lobby will be brick, complemented by stone. Officers of West Texas State Bank of Canyon include Hazlewood, Levens, House and Alden C. Mann, cashier. Fall In Park Injures Youth

A 14-year-old boy from Hart was transferred to a Muleshoe hospital Tuesday after he fell, tumbled and rolled 140 feet in Palo Duro Canyon State Park Sunday morning. Kerry Wheeler, son of Mr. and Mrs. Thomas B. Wheeler, was climbing at Capitol Peak in Sunday Canyon when he fell, said Park Superintendent Jerry Mulligan.

The youth was rushed to Nebblett Memorial Hospital here where he was treated for skull fracture and multiple bruises. Tourists taking pictures in the area notified park rangers of the incident, Mulligan said. Also injured in the park Sunday was Mrs. Donald Daily of Lubbock. Mrs. Daily received a broken wrist after she was struck by a motorcycle driven by a 13-year-old girl. She was camping in the Cottonwood Grove picnic area at the time of the accident.

briefly about an LSD bill which he sponsored and passed. LSD is actually lysergic acid, a hallucinatory drug. "You ought to go down to the University of Texas and see a few of those long hairs down there," Hazlewood declared. He said there is a large group of UT students using LSD and other drugs. "And they want to vote at 18," he said. Senator Hazlewood said this area can be thankful that it does not have the pollution problems encountered in many places elsewhere in the state. He credited Panhandle winds with having a cleaning effect upon the atmosphere. He added that within the next few years half to two-thirds of the nation's beef will be produced right here in the Panhandle. Hazlewood complimented the Negro woman senator from Houston, Barbara Jordan. "She was very capable," he said. "I thought she did remarkably well."

Barbecue Meal Plan Adopted

A barbecue meal will be served prior to each performance of "TEXAS" this summer in Palo Duro Canyon State Park.

About 100 members of the Panhandle Heritage Foundation, sponsors of the musical, executives and their families met at the show's site Tuesday evening to test the proposed plan.

George Ritter will prepare a barbecue meal and individual loaves of homemade bread each evening.

Serving time and costs have not been determined.

In addition to the barbecue meal, a concession area will be open.

Plans...

the movement of juries and prisoners to and from the courtroom.

County Judge Lloyd Kings said possibly included in the new plans should be a courtroom for county use. At present, county and district court cases are tried in the same quarters.

Bob Davis, representative for Columbian Securities, advised the commission to advertise that time warrants would be issued to pay the architectural firm as no bond issue on the building project will be necessary.

If the commission decides to pay the six per cent of the building's cost to the architects in cash, they may do so, Smith said.

John Dorsey, county surveyor, said he would prepare an outside survey of the present courthouse and annex. The survey will include information on trees, parking facilities, curb and gutter and utilities and would cost about \$200.

Offices of the county clerk and county tax assessor-collector will be tentatively located on the first floor of the new annex. Plans call for offices for the district attorney, district clerk, district judge and a district courtroom to be housed on the second floor.

A basement would be used for storage and maintenance area.

In other action, commissioners decided to sit June 26 from 2 until 5 p.m. as an Equalization Board.

There are about 100 cases in which valuations have been raised over last year, said Bill Money, county tax assessor-collector.

Leroy Miller, courthouse custodian, made a high bid of \$200 for a vacant precinct one barn in the Money Addition.

Miller said he would pay the county \$200 for the building which would be torn down to its foundation.

Publications Feature Show

The National Association of Travel Organizations has listed "TEXAS" as one of the top 20 tourist attractions in the United States for the month of July.

Other attractions on the top 20 list include the Cheyenne Frontier Days and Miss Universe pageant.

Two tourist magazines have also mentioned "TEXAS" in their June publications.

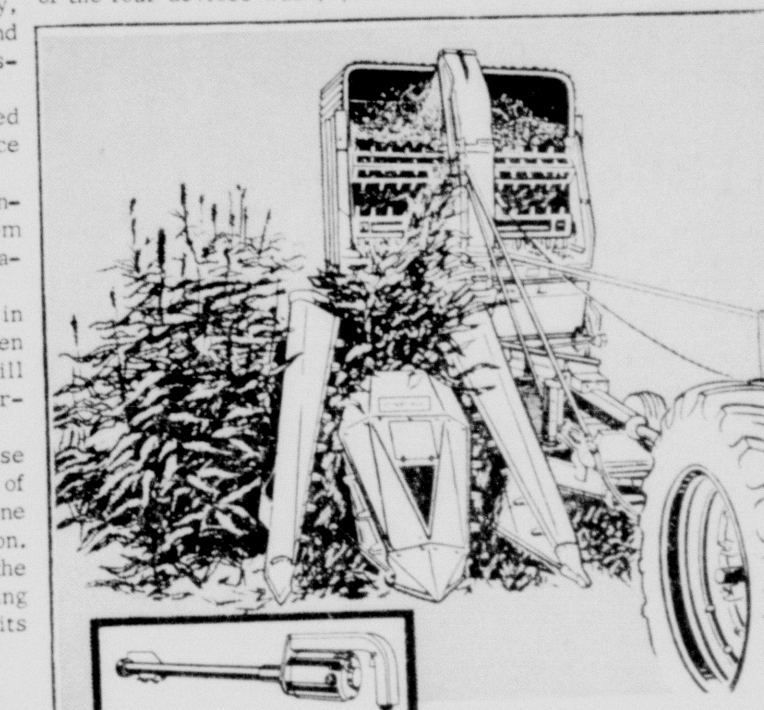

An article written by Margaret Harper, former president of the "TEXAS"-sponsoring Panhandle Heritage Foundation and now publicity director, appears in "This is West Texas."

The article by Mrs. Harper, entitled "Palo Duro: Texas' 'Grand Canyon' With Outdoor Theatre", traces the history of the canyons and also the musical production.

An article in "Texas Parade" features three pages of pictures and a story concerning the show.

A FROGMAN-LIKE image is projected by Canyon Fire Capt. Joe Rice as he dons a new air pack recently purchased for the department by the city commission. The unit -- one of four purchased -- holds a 30-minute supply of compressed air. Cost of the four devices was \$1,024.24.

Formal Ceremonies Unite Janet Gerald-Davis Price

Double ring marriage vows for Miss Janet Lynn Gerald and Davis Borden Price were read Thursday, June 8, at the First Christian Church of Canyon.

The bride is the daughter of Mr. and Mrs. Charles E. Gerald of Canyon and parents of the bridegroom are Mrs. Borden Price and the late Mr. Price of Canyon.

Rev. Charles P. Meredith, pastor of the First Christian Church, officiated at the exchange of vows. Mrs. Betty Patchin of Canyon, soloist, sang the song of Ruth "Entreat Me Not To Leave Thee" by Charles Gounod. Accompanist at the organ was Mrs. Curtis Crowell of Amarillo who played the Trumpet Tune "Martial Air" by Purcell as the processional and Psalm 18 by Marcello as the recessional.

A white aisle cloth was used to direct the wedding party to the altar area which was laid

with pink and white satin. Large urns of pink roses and white gladioli accented the setting amidst candelabra and huckleberry garlands of greenery.

The bride's sister, Cynthia Ann Gerald, served as maid of honor. Bridesmaids were Sue Patricia Schlegel of Amarillo, Sylvia Rebecca Price, sister of the bridegroom, and Cathleen Agnes Gerald, sister of the bride.

Candlelighters were Patricia Ann Price, sister of the bridegroom, and Charles Christensen Gerald, brother of the bride. Jo Beth Price, sister of the bridegroom, served as flower girl and the ringbearer was Brion Dan Gerald, brother of the bride.

Members of the bridal party wore identical gowns of rosebud pink floor length fabric designed with high-rise bodices embellished with daisies. The straight skirts of chiffon featured floor

length trains and headpieces were of matching self fabric.

Wix Price, Jr. of Borger served as his nephew's best man. Groomsmen were Ira Glenn Hopkins of O'Donnell, Charles Bruce McNab of Texarkana and E. Sansom Williams of Pampa.

Serving as ushers were Larry Holman, Harry Lisle, Bob Berger and Bill Phillips.

Escorted and given in marriage by her father, the bride wore a floor length fitted sheath of Venice lace with a fitted bodice and long lace sleeves forming petal points over the hands. The shoulder cape sanctuary train was attached at the shoulder with bows of self fabric and extended to a formal chapel length in the back. Her tiered veil of imported French illusion was held by a lace crown of seed pearls and aurora crystals.

Calvert Wins Combat Badge Umbarger Gets First 1967 Wheat

The husband of a Canyon woman recently received the Combat Infantryman's Badge for service at Phuoc Vinh, Vietnam. Private First Class Ray B. Calvert, whose wife Wanda lives at 104 28th here, received the Badge, a mark of distinction for the fighting soldier. Calvert is assigned to the First Battalion of the First Infantry Division's 26th Infantry as a machine gunner. At least 30 days of contact with hostile forces in Vietnam are required to be eligible for the award. First load of wheat came in Saturday to Umbarger Coop Elevator. The wheat was grown by Vincent Friemel of Umbarger. It tested 58 pounds per bushel and had a moisture content of 10.10. It was grown 1 mile northeast of Umbarger. Going somewhere? Or been? The Canyon News wants to know about it—and so do its readers.

Tom Blacks Home From Europe Tour

The Tom Blacks are back home after a 17-day trip to the Rotary International Convention in Nice, France and a tour of Western Europe. Black is president-elect of Canyon Rotary Club. Black said he was impressed with the speeches of Rotary International President Richard L. Evans and President-elect Luther L. Hodges but he was fascinated with Monte Carlo. "We visited Monaco but we didn't lose any money," Black declared. The Blacks flew from New York May 17 to Barcelona in Spain. They arrived in Barcelona in the late afternoon. The next day they went on a tour of the city and an excursion to Montserrat. "In Barcelona they are digging tunnels for streets," said Black. There will be three tiers of streets. Black said price controls are rigid in Spain. They left Barcelona by train about 8:15 o'clock the morning of May 20 and arrived in Nice about 9 o'clock that evening. Nice is located on the Riviera. "The Mediterranean has the bluest water I've ever seen," Black commented. The Blacks took a number of tours in France, accompanied by an English-speaking guide. "The people are grateful for what the Americans did for them in World War II," said Black. "They don't talk about President Charles DeGaulle." While attending the Rotary convention at Nice, the Blacks stayed in Cannes. There is a train about every hour for the short trip to Nice. The Blacks took a jet to Paris
